RE: Renewal License 3325 with Restrictions
Laidlaw Waste Systems, Inc. (Bridgeton)
Demolition Landfill

Dear Mr. Schreiber:

Please find attached your Demolition Landfill annual renewal Operating License No. 3325 from St. Louis County, Waste Management with an expiration date of June 22, 1989.

The following restrictions apply to your current Operating License No. 3325:

1. Final elevation/contours as approved by the facility plan shall be field verified by ground survey and/or aerial survey.
2. Final cover depth on areas previously filled to final contours shall be field verified. Insufficient final cover and vegetative cover shall be corrected by December 1, 1989.
3. Furnish Waste Management DOCHMC, by August 1, 1989, calculations and estimates of final cover (closed and current areas), daily/weekly cover, and construction soil needs in cubic yards as a total for the estimated life of the demolition landfill.
